

Malaysia Car Rental — Competitor Matrix

Prepared for HJ · 20 June 2026
Tier 1 & Tier 2 players

Ownership camps: **A** — Warisan TC / Tan Chong (listed) **B** — SK Group (Korea) **C** — Independent | **Note:** GoCar is 99.64% owned by Mayflower → the two share Camp A.

Dimension	SOCAR Camp B · SK Group	GoCar Camp A · Mayflower/Warisan	TREVO Camp B · SOCAR subsidiary	Mayflower Camp A · Warisan TC (listed)	Hawk Camp C · Independent
Model	App self-drive car-sharing	App self-drive + subscription	Peer-to-peer marketplace	Traditional rental + leasing + coach	Traditional counter rental
Fleet size	~2,000 cars · ~1,000 zones	~1,000 cars · 7 states	Asset-light · 0 owned, ~21 brands	Large mixed · sedans/MPV/vans/coaches	Young fleet · ~10 sites
Founded	2018 (M'sia)	2014	2020	1963 (M'sia's first)	1994/95
Ownership	SK Group (acq. Aug 2025)	99.64% Mayflower → Warisan TC	100% SOCAR	Warisan TC Holdings (Bursa-listed)	Independent SME
Funding / scale	~US\$73M raised · ~US\$213M val.	Listed-parent balance sheet	Within SOCAR	Listed corporate	~US\$5.1M rev · ~28 staff
Capital model	VC + strategic (high burn)	Patient corporate capital	Commission marketplace	Corporate balance sheet	Self-funded SME
Core customer	Urban individuals, tourists	Individuals → future owners	Car owners + renters	Corporate, MICE, govt, tourism	Airport / cross-border travelers
Pricing	AI dynamic (location/time)	Tiered + monthly subscription	Host-set + platform commission	Negotiated / long-term lease	Fixed / corporate rates
EV strategy	Moderate	Strong — GoEV (Tesla, Ioniq 5, etc.)	Host-dependent	Emerging	Limited
Key add-ons	SOCAR-2-YOU, SOCAR+, BOSS, DASH	Subscription, GoCar Pro, GoEV	TREVO Shield insurance	Fleet mgmt, chauffeur, coaches	HK & Singapore offices
Moat	Scale, density, AI pricing, TREVO	Rent → own funnel, Tan Chong integration	Capital efficiency, insurance layer	Contracts, coaches, trust, scale	Airport + regional niche
Vulnerability	Burn rate, foreign-parent priorities	Modest entity-level revenue	Needs two-sided liquidity	Legacy cost base, slow native digital	Squeezed by apps & price war

Source: Mordor Intelligence, Verified Market Research, Tracxn, DealStreetASIA, Warisan TC Holdings, SoyaCinciau, EMIS, paultan.org. Figures are most-recent public reports; entity-level revenue likely understates group activity. Directional, not audited.
